About Us

Home Care 100 is convened by Lincoln Healthcare Leadership, which also serves the home care sector with the *Intelligence Group*, an advisory arm of the company that partners with leadership teams to drive strategic initiatives year-round. We have a rich history in creating valuable networks, facilitating best-practice sharing and delivering original business insights to top-tier organizations. We aim to have a meaningful impact on the U.S. healthcare system, leading to higher quality, lower cost and more coordinated care.

Sector Experience

With 25+ years' experience in senior care, we are deeply connected to the home-based care ecosystem. We have established relationships with top operators, and are engaged with CEOs year-round to ensure we are highly attuned to the business environment, needs and trends.

Commitment to Innovation

Leaders recognize Home Care 100 as their trusted, undisputed source for where the sector is headed, especially in innovation. We actively keep a pulse on emerging opportunities and showcase the inventive companies, models and technologies transforming and disrupting home-based care.

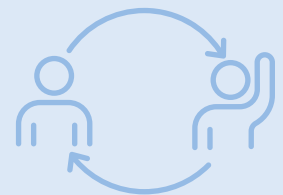

The HOME CARE 100 Difference

If strategic relationships with home-based care operators are valuable to your business,
there's only one place you need to be.

Visionary Content

Our content is the best of any conference. Period. It's bold, original and equips providers to be exceptional in their leadership, strategy and innovation. By delivering best-in-class content, we attract ambitious operators who are eager to learn and have important conversations about their business. Our content also helps you become an even better thought leader to clients, and gives you new insight into your own product development and marketing.

True Partnership

Partners are more than a logo at Home Care 100. We make sure we understand what you want to accomplish as a business, and who your key prospects are, to create a customized and productive business development experience for you. You are positioned as consultative peers to C-level leaders, and we facilitate as many connections as possible before, during and after Home Care 100.

Unusual Access

Home Care 100 serves the top segment of home-based care providers, delivering 40% of the entire market to our partners. It's a **highly-leveraged** way to have **high-quality** interactions with an engaged audience of **high-value** prospects.
